

# LONDON ONLINE-ONLY AUCTION - CONDITIONS OF SALE AND AUTHORSHIP WARRANTY

## Effective as of 9 October 2024

These Conditions of Sale and Authorship govern Phillips' London Online Auctions (each an "Online-Only Auction"). Please read these Online-Only Conditions of Sale and Authorship Warranty carefully before participating in any London Online-Only Auction. It is important you understand them. They contain the terms on which Phillips Auctioneers Limited, registered in England and Wales, Registration Number 04228373 (together and/or separately "Phillips", "we", "our" or "us") and the sellers of lots in the Online-Only Auction ("Sellers") contract with you, registered bidders and buyers of lots in the Auction (as the context requires "you", "your", "bidders", "buyers").

### 1. CONDITIONS OF SALE

By bidding at the Online-Only Auction you agree to be bound by these Online-Only Conditions of Sale and Authorship Warranty as modified by any additional notices or terms published in the online saleroom.

### 2. PHILLIPS AS AGENT AND CONTRACT OF SALE

Phillips acts as an agent for the sellers of lots in the Online-Only Auction, unless a symbol in the lot description indicates otherwise.

On occasion, Phillips may own a lot directly, in which case we will act in a principal capacity as a seller, or a company affiliated with Phillips may own a lot, in which case we will act as agent for that company, or Phillips or an affiliated company may have a legal, beneficial or financial interest in a lot as a secured creditor or otherwise.

The contract for sale of a lot is formed between the seller of the lot and the highest bidder on the lot at the time the Online-Only Auction closes.

### 3. DESCRIPTIONS AND CONDITION

#### Descriptions

Online lot descriptions may include the history of ownership of the property (also referred to as "provenance"), as well as any exhibition history and references to the property in art publications. Whilst we are careful in the cataloguing process, provenance, exhibition and literature references may not be exhaustive. In some cases, we may not disclose the identity of previous owners where we are not authorised to do so.

Please note that all dimensions included in the online property descriptions are approximate.

Photographs and illustrations are for identification purposes only and cannot be used as precise indications of size or convey full information as to the condition of lots. We make every effort to display the colours of Property in the Online-Only Auction as accurately as possible. The colours you see will however depend on the resolution of your monitor. We cannot guarantee that your monitor's or your mobile device's display of any colour will reflect accurately the colour of the item delivered.

Information provided in respect of any lot, including in the online lot descriptions and any condition report (where available) and whether written or oral is not a representation of fact but rather a statement of opinion held by Phillips.

#### Condition

You agree that each lot is sold "as is" and in the condition that it is in at the time of the Online-Only Auction. Prospective buyers acknowledge that many lots are of an age and type which means that they are not in perfect condition.

Online lot descriptions include references to condition only in the descriptions of multiple works (e.g., prints). Such references, though, do not amount to a full description of condition. The absence of reference to the condition of a lot in the online lot descriptions does not imply that the lot is free from faults or imperfections.

Solely as a convenience to clients, Phillips may provide condition reports for certain of the lots in the Online-Only Auction. In preparing such reports, our specialists assess the condition in a manner appropriate to the estimated value of the property and the nature of the Online-Only Auction in which it is included. While condition reports are prepared honestly and carefully, our staff are not professional restorers or trained conservators. By bidding in the Online-Only Auction, you accept that many lots are of an age and type which means that they are not in perfect condition.

Any prospective buyer of photographs or prints should always request a condition report because all such property is sold unframed, unless otherwise indicated in the condition report. If a lot is sold framed, Phillips accepts no liability for the condition of the frame. If we sell any lot unframed, we will be pleased to refer the purchaser to a professional framer.

#### Viewing

Lots offered in Online-Only Auction are not available for viewing unless indicated otherwise in the online saleroom. Where we do organise exhibitions in Phillips' gallery spaces, generally they will be of only a selection of lots from the Online-Only Auction. Our exhibitions are open to the public during our gallery opening hours and free of charge. The dates and times will be published in the online saleroom.

#### Estimates

The estimates published in the online lot descriptions are intended as a guide for prospective buyers. Any bid within the high and low estimate range should, in Phillips' opinion, offer a chance of success. However, many lots achieve prices below or above the published estimates. Estimates may not be relied on as a prediction of the selling price or value of the lot and may be revised from time to time by Phillips in our absolute discretion. Estimates do not include Buyer's Premium or other applicable charges and taxes.

Although the Online-Only Auction is conducted in GBP pounds sterling, the estimates may be displayed in other currencies. These estimates are approximate and provided as a courtesy to our clients as exchange rates are constantly changing.

#### Symbols Used in Lot Descriptions

You may see the following symbols referenced in the online lot descriptions

##### ● No Reserve

Unless indicated by a ●, all lots in the Online-Only Auction are offered subject to a reserve. A reserve is the confidential value established between Phillips and the seller and below which a lot may not be sold. The reserve for each lot is generally set at a percentage of the low estimate and will not exceed the low pre-sale estimate.

##### Δ Property in which Phillips has an Ownership Interest

Lots with this symbol indicate that Phillips owns the lot in whole or in part or has an economic interest in the lot equivalent to an ownership interest.

##### Σ Endangered Species

Lots with this symbol have been identified at the time of cataloguing as containing endangered or other protected species of wildlife which may be subject to restrictions regarding export or import and which may require permits for export as well as import.

##### X Property subject to US Import Tariffs

Lots with this symbol indicate that the Property may be subject to additional tariffs upon importation into the United States of America. See paragraph 13 (Export, Import and Endangered Species Licences and Permits).

## **5. BIDDING IN THE ONLINE-ONLY AUCTION**

### **Placing bids**

As soon as the Online-Only Auction goes live for bidding, provided you have registered for and are approved for bidding in the Online-Only Auction, you can place the next incremental bid by clicking on the 'Bid' button or you can place a maximum bid by selecting an amount from the 'Place Max Bid' dropdown menu.

Once submitted all bids are final and cannot be reduced, retracted or revoked. Phillips is not responsible for any errors you make in bidding.

You must place your bid in the increments provided for each lot as described below. You cannot advance a bid outside of the increments provided.

By submitting a bid, you accept personal liability to pay the total Purchase Price including the Buyer's Premium and all applicable charges and taxes.

By registering and participating in the Online-Only Auction, bidders represent, warrant and confirm that (i) unless otherwise expressly agreed in writing with Phillips prior to the Online-Only Auction, they are bidding on their own behalf and not on behalf of anyone else; (ii) they will be paying the Purchase Price from their own funds; (iii) that their participation in the Online-Only Auction and payment of the Purchase Price is lawful and shall not breach any applicable sanctions laws; (iv) they are not resident or located in a sanctioned jurisdiction including but not limited to Russia, Belarus, Iran and North Korea; and (v) any bids placed by them, or on their behalf, are not the product of any collusive or other anti-competitive behaviour or agreement and are not otherwise in breach of any applicable law, Government sanctions and other regulatory measures in force from time to time.

### **Outbid notifications**

You will receive a notification if you are outbid by another bidder in which instance, you will have the option to place further bids on that lot, provided that the Online-Only Auction is still live for bidding.

Provided you are logged into Phillips.com, you will be notified directly on the lot's page with the following on-screen notifications: "You have been outbid". If you are not logged into Phillips.com you will receive such notice by email. Please note that in order to receive such email notification, you must be fully logged out of your Phillips.com account. Closing the Phillips.com browser window is not a log-out of your Phillips.com account.

It is your responsibility to follow the Online-Only Auction closely as you may be outbid in the last minutes of the Online-Only Auction (See Dynamic Bidding below).

Phillips is not responsible in any event should you not receive any of the notifications described above.

### **Maximum bids**

Instead of placing multiple, incremental bids, you can choose to place a "maximum bid" on any lot in the Online-Only Auction.

Placing a maximum bid does not mean you will end up paying the full amount of your maximum bid. The system will recognize your maximum bid and will place consecutive, incremental bids on your behalf up to but not exceeding the amount of your "maximum bid" in response to other bids placed.

Maximum bids must be at a recognized bidding increment in order to be processed.

If your maximum bid has been outbid by other bidders, you should receive an outbid notification and will have the option to submit a new maximum bid.

You may increase your maximum bid at any time during the timed Online-Only Auction. Once submitted, you cannot lower a maximum bid.

### **Bidding increments**

Bidding generally opens below the low estimate and advances in increments of up to ten percent (10%), subject to Phillips' discretion as follows:

Bidding generally opens at or below the low estimate and advances in increments of up to 10%, in Phillips' discretion.

UK£50 to UK£1,000	by UK£50s
UK£1,000 to UK£2,000	by UK£100s

UK£100,000 to UK£200,000	by UK£10,000s
above UK£200,000	To repeat in the same manner

### **Winning bids**

At the close of bidding on each Lot in the timed Online-Only Auction, the highest bid accepted on a lot will be the successful bidder and buyer of that lot, unless special circumstances require Phillips to exercise its discretion.

When the Online-Only Auction closes, the contract for sale is formed automatically between the seller and the successful bidder on the lot.

Winning bidders will be notified and contacted by email after the Online-Only Auction has closed.

### **Lot Closing Time and Dynamic Bidding**

A countdown clock is displayed on the lot description page for each lot in the Online-Only Auction.

Dynamic bidding, also known as "popcorn bidding", will come into effect if a bid is made within the last 3 minutes of bidding time on a lot.

For Online-Only Auction lots, if a bid is placed in the final three minutes of bidding time on a lot, the bidding period on that lot will be reset to 3 minutes. This way, there will always be 3-minute period between the last bid placed and the closing time of that lot. For example, if there is a bid placed on a lot when there are 2 minutes and 53 seconds remaining to bid on that lot, 7 seconds will be added in order to reset the remaining bidding time for that lot to 3 minutes.

These bidding time resets will continue indefinitely until there is no more bidding activity on the lot for a period of 3 minutes.

The reset of one lot's closing time does not affect the closing times of other lots in the Online-Only Auction, so it is possible that lots will close out of numerical order.

**Staff bidding**

Staff of Phillips and of our affiliated companies may participate in real time in the Online-Only Auction. We have strict staff bidding policies in place to ensure our staff will have no advantage over other bidders.

**6. CONDUCT OF THE ONLINE-ONLY SALE**

**Reserves**

Unless indicated by the symbol [●] each lot in the timed Online-Only Auction is offered for sale subject to a reserve price, which is the confidential minimum selling price agreed by Phillips with the seller. The reserve will not exceed the low estimate of the lot.

Phillips reserves the right, in its absolute discretion, to lower the reserve of any lot in the Online-Only Auction where no bids have been placed on the lot.

**Actions Phillips can take**

Phillips may take such actions as it reasonably considers appropriate to ensure the Online-Only Auction runs smoothly in accordance with legal obligations. Such actions may include but are not limited to:

- (a) refusing to accept bids on a lot where Phillips reasonably considers it appropriate to do so;
- (b) restarting the bidding on a lot where Phillips reasonably considers it appropriate to do so;
- (c) withdrawing a lot from the Online-Only Auction;
- (d) re-offering a lot after the Online-Only Auction has closed where there is a dispute or error or other appropriate reason for doing so.

Phillips has no liability to bidders or buyers for any such actions which it may take during the Online-Only Auction.

**Currency**

The Online-Only Auction will be conducted and invoiced in GBP pounds sterling (GBP) and all payments are due in GBP.

For the benefit of international clients, estimates in the Online-Only Auction particulars may be shown in other major traded currencies and, if so, will reflect approximate exchange rates. Any currency conversions displayed should be treated only as a guide. Phillips cannot be bound by any rate of exchange shown by the currency calculator and is not responsible for any error, omission or failure in providing these services.

**7. PURCHASE PRICE AND PAYMENT**

**Calculating the Total Purchase Price**

If you are the successful bidder and buyer of a Lot, the total purchase price you pay is made up of the following elements:

**Hammer Price:** This is the final, highest bid accepted for a lot when the lot closes for bidding during the Online-Only Auction.

**Buyer's Premium:** This is the commission Phillips charges the successful highest bidder and buyer of the lot.

The Buyer's Premium is calculated on the hammer price of the lot at the following rates on a cumulative basis:

- 27% on the portion of the hammer price up to and including £800,000; and
- 21% on the portion of the hammer price above £800,000 up to and including £4,500,000 and
- 14.5% on the portion of the hammer price above £4,500,000.

Where VAT is payable on the Buyer's Premium the VAT inclusive Buyer's Premium rates are 32.4%, 25.2% and 17.4% respectively.

**VAT**

Depending on the status of the artwork, and your status as a buyer, VAT may be charged on the Buyer Commission or the net Purchase Price (i.e. excluding Buyer Commission and any applicable ARR), or both.

**UK Auctioneer's Margin Scheme**

Most items we sell are second-hand goods, so we sell them under UK Auctioneer's Margin Scheme rules. Artworks falling into this category have no VAT symbol when listed in a price list or factsheet and are treated as follows:

No symbol	UK Auctioneer's Margin Scheme sale	20% VAT charged on the Buyer Commission and invoiced as part of the total Purchase Price on an inclusive basis
-----------	------------------------------------	--

**Special VAT Treatment**

If the artwork has one of the below symbols, the VAT treatment will be as follows:

VAT Symbol	Basis	Treatment
†	Standard UK VAT rules	20% VAT charged on both the net Purchase Price (i.e. excluding Buyer Commission, any applicable taxes and ARR) and the Buyer Commission
‡	Imported artwork under Temporary Admission (Low rate)	5% import VAT on the net Purchase Price (i.e. excluding Buyer Commission and any applicable taxes and ARR); and 20% VAT on the Buyer Commission
Ω	Imported lot under Temporary Admission (High rate)	20% import VAT on the net Purchase Price (i.e. excluding Buyer Commission, any applicable taxes and ARR); and 20% VAT on the Buyer Commission

**◆ Artist's Resale Royalty (ARR)**

The laws in certain countries entitle qualifying artists or their estates to a royalty when the artist's works are re-sold for a hammer price of GBP 1,000 or more. Lots subject to ARR are marked with the symbol ◆. The ARR is calculated as a percentage of the hammer price on a cumulative basis as follows and is payable as part of the purchase price:

Portion of the Hammer Price (in GBP)	Royalty Rate
--------------------------------------	--------------

From £0 to £50,000	4%
From £50,000.01 to £200,000	3%
From £200,000.01 to £350,000	1%
From £350,000.01 to £500,000	0.5%
Exceeding £500,000	0.25%

The total charge for ARR on any single lot cannot exceed GBP 12,500.

**Example**

To illustrate how the purchase price is calculated, please see the below example:

UK Auctioneer's Margin Scheme lot  
 Hammer Price: £1,000,000  
 Buyer's Premium including VAT @20% £309,600:

**Buyer's Premium calculated as follows:**

27% of first £800,000 of the hammer price = £216,000 +  
 21% on the balance of £200,000 = £42,000  
 Total BP = £258,000  
 VAT @ 20% on the total BP of £258,000 = £51,600

**Making Payment**

Unless otherwise indicated, all prices, fees, charges and expenses set out in the online lot descriptions are quoted exclusive of applicable taxes. Payments must be made by the invoiced party in GBP pounds sterling. Please reference the relevant invoice number. ## 9. FAILURE TO COLLECT PURCHASES

- (a) If the buyer pays the Purchase Price but fails to collect a purchased lot within 30 days after the close of the Auction, the buyer will incur daily storage fees for each uncollected lot. Additional charges may apply to oversized lots. We will not release purchased lots to the buyer until the Purchase Price and all charges have been paid in full.
- (b) If a purchased lot is paid for but not collected within six months of the Auction, the buyer authorizes Phillips, upon notice, to arrange a resale of the item by auction or private sale, with estimates and a reserve (in the case of an auction) and net sale price (in the case of a private sale) to be set at Phillips' reasonable discretion. The proceeds of such sale will be applied to pay for storage charges and any other outstanding costs and expenses owed by the buyer to Phillips or our affiliated companies and the remainder will be forfeited unless collected by the buyer within two years of the resale.

## 10. REMEDIES FOR NON-PAYMENT

Without prejudice to any rights the seller may have, if the buyer fails to pay the Purchase Price for a lot in cleared funds within 7 (seven) days of the date the Online-Only Auction closes, we may in our sole discretion exercise one or more of the following remedies:

- (a) store the lot at Phillips' premises or elsewhere at the buyer's sole risk and expense;
- (b) cancel the sale of the lot, retaining any partial payment of the Purchase Price as liquidated damages;
- (c) reject future bids from the buyer or render such bids subject to payment of a deposit;
- (d) charge interest at 12% per annum from the date payment became due until the date the Purchase Price is received in cleared funds;
- (e) subject to notification to you, exercise a lien over any of your property which is in the possession of Phillips and instruct our affiliated companies to exercise a lien over any of your property which is in their possession and, in each case, no earlier than 30 days from the date of such notice arrange the sale of such property and apply the proceeds to the amount owed to Phillips or any of our affiliated companies after the deduction from sale proceeds of our standard vendor's commission, all sale-related expenses and any applicable taxes thereon;
- (f) resell the lot by auction or private sale, with estimates and a reserve set at Phillips' reasonable discretion, it being understood that in the event such resale is for less than the original hammer price and Buyer's Premium for that lot, the buyer will remain liable for the shortfall together with all costs incurred in such resale;
- (g) commence legal proceedings to recover the hammer price and Buyer's Premium for that lot, together with interest and the costs of such proceedings;
- (h) set off the outstanding amount remaining unpaid by the buyer against any amounts which we or any of our affiliated companies may owe the buyer in any other transactions;
- (i) release the name and address of the buyer to the seller to enable the seller to commence legal proceedings to recover the amounts due and legal costs; and/or
- (j) take such other action as we deem necessary or appropriate.

## 11. EU CONSUMER RIGHTS DIRECTIVE

### Your Right to Cancel the Purchase of a Lot

If you are a consumer habitually residing in the United Kingdom or the European Union and the seller of the lot you have bought is not a consumer, you have the right under the EU Consumer Rights Directive as implemented into applicable national law, to cancel your online purchase within 14 days of the date you collect the lot or it is delivered to you. If the seller of the lot is also a consumer as identified in the lot particulars by the phrase "This lot is the property of a private individual", the cancellation right does not apply.

If you qualify for the cancellation right and wish to exercise it, you must notify us in writing within 14 days of the date you collect the lot or it is delivered to you ("Cancellation Period"). You are considered to have collected a lot if you (or someone you authorise) collects the lot on your behalf.

Your written notice should be sent within the Cancellation Period by post to the Client Accounting Team, Phillips Auctioneers Limited, 30 Berkeley Square, London, W1J 6EX. The notice should state your name, residential address, contact details, invoice number, Phillips account number, description of the property and its date of collection or delivery and that you wish to exercise the EU Consumer Rights Directive cancellation right.

Within 14 days of sending us your cancellation notice, you must return the property to us at your own cost in an unused/unaltered state in the same condition as when it was collected by or delivered to you. If the property was delivered to you, you should use the same secure shipping methods as we used to deliver the property to you. You must pay all return shipping costs including any applicable import and customs fees, charges and taxes.

Upon receiving the property and provided it is in the same condition, we will reimburse the Purchase Price you paid (less any deductions for loss in value of the property due to excessive handling) to the same means of payment you used to pay the invoice.

## 12. PHILLIPS' RIGHT TO CANCEL THE SALE OF A LOT

Phillips has the right, but not the obligation, to cancel the sale of a lot if we reasonably believe:

- (a) there is a material breach of the seller's representations and warranties; or
- (b) a valid claim is made by the buyer under the Authorship Warranty (described below); or
- (c) a third party claim to ownership or title in the lot is made; or
- (d) other just cause exists.

Upon notice of Phillips election to cancel the sale, the buyer will promptly return the lot to Phillips, and we will then refund the Purchase Price paid by you. The refund will constitute the sole remedy and recourse of the buyer against Phillips and the seller with respect to such cancelled sale.

## 13. EXPORT, IMPORT AND ENDANGERED SPECIES LICENCES AND PERMITS

### Endangered Species

Before bidding on any property, you are advised to make your own enquiries as to whether a licence is required to export a lot from the United Kingdom or to import it into another country. You are advised that some countries prohibit the import of property made of or incorporating plant or animal material, such as coral, crocodile, ivory, whalebone, Brazilian rosewood, rhinoceros horn or tortoiseshell, irrespective of age, percentage or value.

If you are considering importing a lot into another country, you are responsible for familiarizing yourself with relevant export and import regulations of the countries concerned. You are responsible for complying with these laws and obtaining any necessary export, import and endangered species licences or permits. Failure to obtain a licence or permit or delay in so doing will not justify the cancellation of the sale or any delay in making full payment for the lot. As a courtesy to clients, Phillips has marked in the catalogue lots containing potentially regulated plant or animal material, but we do not accept liability for errors or for failing to mark lots containing protected or regulated species.

## 14. US SHIPMENTS AND IMPORTS

### Customs Tariffs

Buyers intending to import property into the United States of America should note that US Customs may charge an additional import duty upon the importation of (i) products manufactured or created in mainland China and (ii) printed materials (including photographs, prints, lithographs, books and designs) printed in the UK or Germany.

Phillips will mark with a symbol lots which may be subject to additional US import tariffs, where this is known to us. Please note, however, that any such markings are done by us only as a convenience to bidders. Phillips does not accept liability for errors including failing to mark lots accurately or for the absence of any marking.

### Export, Import, Sales and/or Use Taxes
